This tie-up between HDFC Life and Vijaya Bank is a unique one involving a large private life insurer with one of the fastest growing public sector banks. It is among the few partnerships to be announced post the revision of the corporate agency norms in April 2016. Vijaya Bank's network of 2129 branches across the country will further strengthen HDFC Life's presence, thereby enabling the insurer to reach out to a wider and diverse section of the population with need-based life insurance solutions.

Shri Sankara Narayanan, Managing Director & CEO, Vijaya Bank said, "We are very positive about our new tie-up with one of the best Life Insurance companies of India - HDFC Life. The partnership promises to improve the overall business of both the organizations. For Vijaya Bank, the main products are Deposits and Loans and now the choice of Life Insurance products will be a value addition to our customers. It will increase customer satisfaction and eventually lead to customer delight. We believe that this is a long term, mutually beneficial relationship for both organizations."

Shri Amitabh Chaudhry, Managing Director & CEO, HDFC Life said, "We are delighted to partner with Vijaya Bank, one of the country's most reputed Banks. Our large and multi-channel distribution network is a strong differentiator. Riding on Vijaya Bank's pan India network, we aim to service the semi-urban and rural geographies that typically have low insurance penetration. In line with the Government's agenda for the Insurance sector, our endeavour has been to reach out to the maximum number of Indians and service the need to financially protect their families from unforeseen circumstances. Customer-centricity is at the heart of all our initiatives in both the organizations and we hope that the synergies will open up a plethora of opportunities for future."
